

Maramureș International Airport will host international aviation conference Aviation-Event Media Forum 2023 BAY

Maramureș, Romania, 9 August 2023

Maramureș International Airport and Aviation-Event announce Aviation-Event Media Forum 2023 BAY - an international aviation media conference scheduled to be held on 1 September 2023 at Maramureș International Airport, Romania.

Aviation-Event, a renowned international media platform dedicated to the aviation and tourism industry, has a remarkable track record in organizing prestigious aviation conferences at the European level, partnering with airlines, airports, and tourism organisations to host influential media and networking gatherings since its inception in 2007. Over the years, Aviation-Event has consistently brought together aviation industry leaders and political stakeholders to engage in forward-looking discussions and find innovative solutions to the opportunities and challenges facing the industry.

The Aviation-Event Media Forum 2023 BAY is set to be a momentous one-day conference that will bring together esteemed civil aviation professionals, representatives of relevant national authorities, airlines, and airport CEOs from Europe and Romania.

The Media Forum will feature engaging panel discussions, interactive workshops, and informative presentations delivered by influential personalities from the aviation industry. Among the key topics to be explored are strategies for sustainable aviation practices, the integration of advanced technologies and the vision for the future of the industry, as well as contributing to the growth of the aviation sector both locally and internationally.

Marcel Riwalsky, CEO of Aviation-Event, stated: "Aviation-Event is looking forward to welcoming media and aviation stakeholders from across the industry to Maramureș for the Aviation-Event Media Forum 2023 BAY on 1 September 2023, which will be co-hosted with Maramureș International Airport and Consiliul Județean Maramureș."

Ionuț Caraba, CEO of Maramureș Airport, stated: "We are delighted to welcome you to the first edition of Aviation-Event Media Forum 2023 BAY in Maramureș, the county of Romanian traditions. We look forward to the opportunity to meet with industry leaders and exchange views on the current developments in the aviation sector in general, as well as the growing network, business, and tourism opportunities Maramureș Airport (BAY) will facilitate in the coming years."

Ionel Bogdan, President of Maramureș County Council, stated: "The development of Maramureș International Airport is an adopted goal. In support of the initiatives currently being implemented or planned, it is a priority for us to strengthen relationships with representatives of the major airlines and airports in Europe and Romania, so that we can exchange and apply best practices in the most integrated way to develop our airport, business, and tourism infrastructure for the region."
